

Más Peruano  
que  
El Ya Vuelta

The text is rendered in a highly stylized, bubbly font. The words 'Más Peruano' and 'que' are stacked at the top, with 'que' being smaller and positioned between the two. Below them, 'El Ya Vuelta' is written in a larger, more prominent font. The colors transition from yellow at the top to green, then orange, and finally pink at the bottom. There are five pink stars scattered around the text: one to the left of 'El', one between 'Más' and 'que', one between 'que' and 'El', one to the right of 'que', and one to the right of 'Vuelta'.
